

Chinese Society for Geodesy, Photogrammetry and Cartography

The Training Notification for the 2nd International Workshop of GIS Technology and Application

Dear Sir/Madam,

Welcome to attend the International Training Course of GIS Technology and Application.

As we know, the Chinese GIS technology, especially the application of GIS technology is in the leading place throughout the world. **This workshop is organized by Chinese Society for Geodesy, Photogrammetry and Cartography, and supported by International Federation of Surveyors (FIG).** The experts in GIS industries will be invited to share the GIS applications. This will make you have a deep experience and understanding of new GIS technology and the trend of development, and also improve your application and management capability of GIS technology.

Time: Oct. 27th, 2019 - Nov. 3rd, 2019

Location: Building 107, A10 Jiuxianqiao North Road, Chaoyang District, Beijing, China

Agenda

Time	Content
Oct.27 th	Register
Oct.28 rd - Nov.2 nd	<ul style="list-style-type: none"> ✧ The Key Technology of GIS Software and the Trend of Development ✧ The Global Application of GIS ✧ The Application and Expectation of Spatial Big Data GIS Technology ✧ The Application Cases of Data Center ✧ The Application and Expectation of 2D&3D Integration Technology ✧ BIM+GIS ✧ Ideas and System Architecture of Smart City Construction ✧ The Application Framework of the One Map for Land Project ✧ Global Applications of SuperMap iPortal ✧ GIS Applications in 3D Cadastre Management ✧ GIS Application in Natural Disaster Prevention and Alleviation ✧ 2019 GIS Software Technology Conference ✧ Visiting and inspection ✧ Commencement
Nov.3 rd	Departure

Instructions

1. There is no any fees for the courses.
2. The participants will be responsible for the round-trip travel costs and accommodation expenses by themselves, while the lunch, coffee breaks and farewell dinner during the workshop will be covered by the organizer of the Workshop.
3. All participants will receive a certificate of training issued by the organizer.
4. If you have any interest, please fill in the registration form and send back to:
